THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 2002-248-C - ORDER NO. 2003-83 *102*

FEBRUARY 14, 2003

IN RE: Application of Integracore, Inc. for Approval of a Transfer of Stock and Assets of BroadRiver Communication Corporation to Integracore, Inc.	) ) ) ) )	ORDER GRANTING EXTENSION OF PREFILING DATES AND ESTABLISHING HEARING
--	-----------------------	--

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Integracore, Inc. (Integracore or the Company) for an extension of time from January 8, 2003 to January 24, 2003 to prefile testimony and exhibits in this matter. The grounds for said request are that the individual in charge of filing said testimony had not seen our prior Order No. 2002-788 which established prefilng dates for testimony and exhibits by the January 8, 2003 deadline. Further, the Company subsequently requested expedited review of its Application, a waiver of the hearing, and a continuance of the present hearing date. We grant the extension to prefile testimony from January 8, 2003 to January 24, 2003, and we grant a continuance of the first hearing date; however, we deny expedited review, and we deny waiver of the hearing. We note that Integracore does not currently hold a Certificate of Public Convenience and Necessity from this Commission for the provision of any type of telecommunications services. We are not therefore familiar with the Company's technical, financial, and managerial abilities, and, therefore, will not grant a Motion for Expedited Review, nor will we grant waiver of the hearing in this matter.

Accordingly, a new hearing date shall be set for this matter at such time as the hearing calendar may allow.

This Order shall remain in full force and effect until further Order of the Commission.
